

Workshop Why we need HIDS

11:17

Disclaimer: Hacking is illegal

HIDS

- We need to know what happens to our systems
- Like system resources

Awareness

Deep packages inspection (DPI)

Deemed not to be legal in some countries

HIDS APPS

OSSEC

WAZUH (No! No! again)

NIDS vs HIDS

Limited encryption for NIDS

NIDS can not operate without the host

HIDS can impact performance
